MUNICIPAL COURT OF OSSIPEE

To the Selectmen of the Town of Ossipee:

Received for certified copies & writs	11 20	
Partially paid cases	603 65

		<hr/>
		\$12146 41
Less cash disbursements for year:		
Cash Disbursements	\$11218 38

		<hr/>
	11499 23	
		<hr/>
		\$647 18
Cash on hand	75 39	
Check book balance	571 79	
		<hr/>
		\$647 18
Payments of the 1962 accounts were divided as follows:		
Town of Ossipee	\$3663 41	
Motor Vehicle Dept.	4279 50	
Fish & Game Dept.	1930 50	
Carroll County Treasurer	436 50	
Small Claim & Misc.	908 47	

As usual, the Ossipee Municipal Court has had a

busy year. As more people come into the area every year, the problems of safety on the road, on the water and in the woods multiply.

The Justice and the Associate Justice spend not a little time in conference on domestic relations and juvenile cases. It is our endeavor to attempt to keep families from breaking up and youths out of trouble. Sometimes we succeed. More often we lose.

I do thank the Associate Justice, the Clerk and all officers for the fine co-operation and ability.

Conducting a Municipal Court is not engaging in a popularity contest. However, most people appear to feel that they have been fairly and reasonably dealt with. A few in the minority will never be happy, no matter what courtesies are extended to them.

PARKER M. MERROW,
Justice

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Ossipee:

I submit my second report as Superintendent of Schools of Union No. 36. The following list indicates the administrative activities for the period from January 1, 1962 to December 31, 1962:

School Visits	396
Regular School Board Meetings	88
Special School Board Meetings	51
Speaking Engagements	12
P. T. A. Meetings	11
Conventions & Conferences	9
Teachers' Meetings	14
Cooperative Study Meetings	67

On November 18, 1962 Dr. Charles F. Ritch, Jr., Commissioner of Education, visited all of the schools in Union 36 with Superintendent Thomas.

During the school year 1961-62 the teachers in the Ossipee Central School were: Grade 1 Mrs. Alice Loud; Grade 2 Mrs. Lucinda Gilman; Grade 3 Mrs. Florence Johnson; Grade 4 Mrs. Lillian Godfrey; Grade 5 Mrs. Beatrice Harmon; Grade 6 Mrs. Edna Kennard; Grade 7 Mrs. Ruby Pearson; Grade 8 Mr. Hugh O'Connor and Principal Mr. Charles Pinkham. Music Supervisor was Mrs. Dagny Blouin. As of November 1, 1962 Mrs. Edna Kennard succeeded Mr. Pinkham as Principal.

At the opening of the school year in September 1962, Christine Powers succeeded Ruby Pearson in Grade 7. Frank Richardson succeeded Hugh O'Connor in Grade 8. Mrs. Ellen Clemons was added to the staff due to the first grade increased enrollment. Gertrude Elliott was employed as part-time teacher due to heavy enrollment.

The school health program is under the supervision of Mrs. Gertrude Dale, R. N., with the annual physical examinations by Dr. Francis J. C. Dube.

The school lunch program continues under the supervision of Mrs. Frances Brownell.

Never before has education received as much public attention and publicity as it has in recent years. Newspapers, magazines, television, radio—all instruments of mass communication have probably devoted more space and time to education in a single year than they have for the past fifteen years put together. This is good! It shows that people are interested in what the schools are doing and that they want to assist in helping the schools do an even better job.

When school administrators are questioned about matters of importance to them the improvement of instruction usually is given considerable attention and weight. The primary function of superintendents of schools is conceived to be the creation of conditions that are conducive to effective teaching so that maximum pupil learning will result.

The curriculum is, or should be, in a constant state of change. One only has to look around in this scientific age to recognize the changes taking place. There has been a growing concern about the develop-

ment of programs in the public schools, which would meet the needs of all youth. Some changes have taken place in our schools with the cooperation of our principals and teachers in developing plans of programs for Reading and Mathematics with results which, at present, appear to be very excellent. Following a two-day Math Workshop in September 1962, 80% of the teachers of Union 36 participated in an extension course under the auspices of the University of New Hampshire. This training has enabled our teachers to teach the new mathematic concepts which is being taught in our schools now.

Our school system has its problems the same as any other business. However, they are not insolvable. With confidence and forth-right approach to the solution of these problems we can continue to have an outstanding educational program, one that will be a credit to our young people as well as to our community.

Dr. James B. Conant makes this comment, "It is impossible to evaluate an educational system apart from the society which it both reflects and serves. Much of the argument over education today is coming from people who are not really interested in facing problems as they exist."

Herein lies our responsibility—to know our problems—to solve them to the best of our abilities.

During the past year the school districts of Freedom, Madison and Tamworth solved their secondary school problems by joining our sister Union No. 9 in Conway by signing a twenty-year contract. The school districts of Brookfield, Effingham, Ossipee and Wakefield have been in a Regional 1 through 12 school

study with our sister Union 49 comprising the school districts of Alton, New Durham, Tuftonboro and Wolfeboro which would solve their school problems. The Middleton school district continues to tuition all their students to Farmington.

Also, much work was done during the summer of 1962 to improve our own schools. Madison created a new classroom, a complete new heating system was installed and another member was added to the teaching staff due to a large enrollment in grades 1-3. Ossipee created a new class room, health room, library and principal's office. Ossipee also added a new member to the teaching staff due to the large enrollment in the first grade. Effingham, Freedom, Tamworth and Wakefield had the usual summer repairs and cleaning of their buildings.

The Parent-Teacher Associations have been most helpful and cooperative, as have other civic and social organizations. Many thanks go to the Whittier Lions Club for their generous contributions to all our schools.

I wish to extend to the School Boards my sincere appreciation for their fine cooperation, their encouragement, and sincere devotion to their task of formulating and carrying through their policy-making responsibilities with foresight and conviction in what is good for the school children, school personnel, and citizens of their communities.

I also want to commend all the school personnel for their devotion to education and the assistance they have given me.

Respectfully submitted,
ALFRED W. THOMAS
